## APPENDIX "B"

### UNDERAGE PLAYER MOVEMENT

Reference to By-Law 4.11

The procedure for obtaining approval to play as an underage player is as follows:

1. A written request, with parental permission, to the respective Convening Committee prior to February 1.
2. The request will then be forwarded to the Technical Development Committee who in conjunction with the respective Convening Committee will evaluate the player.
3. The recommendations of the T.D.C. and the respective Convening Committee will be presented to the Executive Committee for decision.

#### NOTE:

It is the belief of the Hamilton Minor Hockey Council that an underage player should only be allowed to tryout and play IF SIGNED, for the "AAA" team of the older age group. He should return to the "AAA" team of his own age group if he fails to make that team. He will not be allowed to participate on a "AA" team outside his age group.
